D E D I C A T I O N

To J. M. Smith, who through his outstanding educational abilities has led us to the close of a most successful year, we wish to dedicate this—our 1947 De Soto—intending to express thereby our grateful appreciation for those qualities which have made him an outstanding president.

College life is a vast panorama of many interesting things—picnics, hayrides, dances, smiling faces, studies shared. In these pages we have tried to preserve for you the happiness of such moments at Memphis State so that in years to come they will not be forgotten, but will be relived with increasing enjoyment.

Stand firm, O Alma Mater
Through all the years to come;
In days of youth and beauty
Thy halls have been our home.
In time of preparation
Great lessons didst thou teach,
Till now, O Alma Mater,
The stars we'll strive to reach.

Lead on, O Alma Mater,
Thy sons to higher ways,
Give light and truth unto them
For all their coming days.
To thee we'll give all honor,
Our hopes abide in thee,
For thou, O Alma Mater,
Hast made us ever free.

IN MEMORIAM

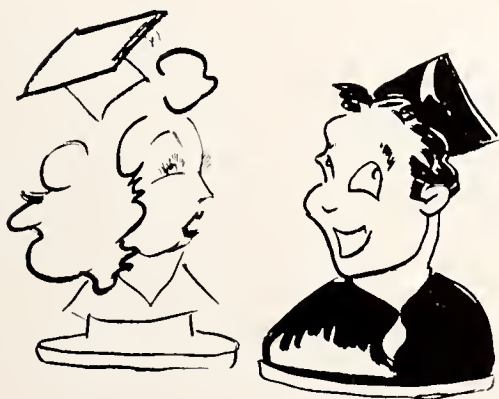

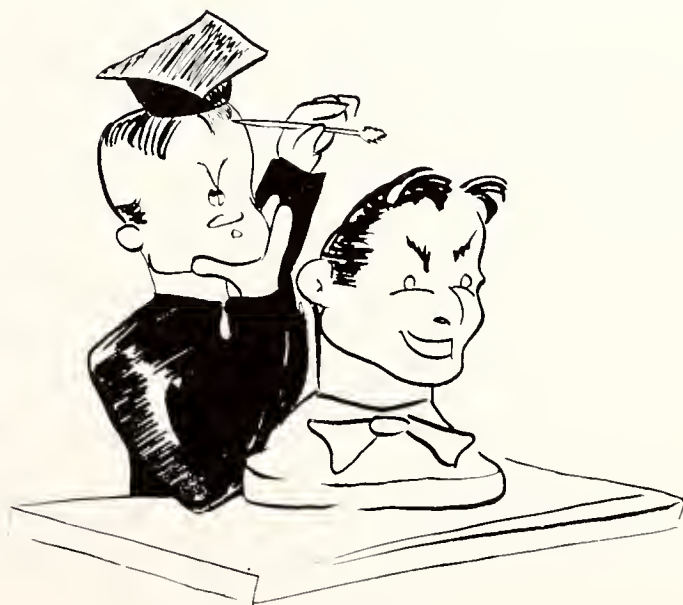

In the death of Dr. J. H. Steere, twenty years a familiar figure on the campus, Memphis State has lost one who was loyal to every cause the institution sponsored.

As professor of sociology, his kindly advice was sought by all the students. Many leading educators of West Tennessee were formerly members of his classes.

The years never dimmed Dr. Steere's devotion to the ideal of democratic education which he taught and practiced faithfully.

The Tiger Rag represents the combined efforts of a cooperative staff which has succeeded in its task of keeping the students up-to-date with the college events. During the course of this year it has served under three editors—Jack Printup, Ed Topp, and Betty Childers.

The Business Staff, under the management of Joe Howell, has kept the names of our advertisers before us and has been responsible for the circulation of the Tiger Rag.

In addition to the purely journalistic work of “getting the paper out”, during the winter quarter the staff sponsored the all-student election of the Typical Ed and Co-Ed.

Commendation is due every member of the staff—every editor and reporter who lent time and effort to the editions of our paper.

The Staff At Work

MSC BAND

The last year has witnessed a great improvement in the Memphis State band which, with a strength now exceeding thirty-five members, has given numerous, enjoyable concerts for MSC students.

By popular acclaim, the highlight of the year's work was a concert which was presented to the student assembly dur-

ing one of the ten o'clock activity periods of the Winter Quarter. In addition to this presentation, the band has provided the musical backgrounds for the College Beauty Review and for dramatic productions by the students.

This remarkable improvement and the increased enthusiasm of MSC musical talent is credited to the efforts of Director Paul Eaheart and L. C. Austin, head of the Music Department. The band's presentations have been received with great appreciation by both faculty and students who are looking forward with interest to future concerts.

Rehearsal Time

COLLEGE CHOIR

A bigger and better College Choir is one of the accomplishments of the music department this year. Under the direction of Paul Eaheart the choir has presented several programs for the enjoyment of the students and faculty. One of the first was the rendition of a Thanksgiving cantata, "The Harvest." This was followed in the winter quarter by a religious cantata, Mendelssohn's "Hymn of Praise" which was presented with the help of several members of the Memphis Symphony Orchestra and the MSC Band.

In addition to these programs, individual members of the choir have supplied musical numbers for various assemblies throughout the year.

AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

Memphis State is represented by eighteen new students who were selected to appear in the National Who's Who Among Students in American Universities and Colleges Yearbook. The roll of Who's Who includes automatically those students appointed in previous years plus the eighteen selected this year.

Sixty students were nominated by the Student Activity Committee on the basis of scholastic merit, and Juniors and Seniors were allowed to vote for the sixteen whom they deemed most outstanding in scholarship, leadership, character, extra curricular activities, and indication of future usefulness.

Those not pictured: Phyllis Applewhite, Audrey Poe, Al A. Radd, Lillian Reese.

WOMEN'S STUDENT ADVISORY COUNCIL

Row 1: Helen Bryant, Nell Cuff, Jane Dietzel, Rebecca Freeland

Row 2: Shirley Kirk, Eunice Muskelly, Audrey Patterson, Doy Smith

The Women's Student Advisory Council of Mynders Hall was formed in the fall of 1946 for the purpose of supplying an outlet for student voice in the girl's dormitory. The organization has no authority to discipline, but in its advisory capacity discusses with Miss Rawls, the Dean of Women, problems concerning the welfare and interests of the residents of the dormitory. Since the group has a part in the making of the governing laws and regulations, more cooperation is achieved among the students.

The Council this year sponsored open house and informal dormitory parties, endeavoring to develop a spirit of mutual friendliness in the dormitory. It also played an important part in the acquisition of the dormitory inter-communication system.

The girls who make up the Council are elected by the students of each floor to represent their section of the dormitory. This year four of the eight members are seniors, two are juniors, one is a sophomore, and one is a freshman. Audrey Patterson is the secretary of the group.

The Council hopes with each succeeding academic year to become a more integral part of life on the campus.

DRAMATIC PRODUCTIONS

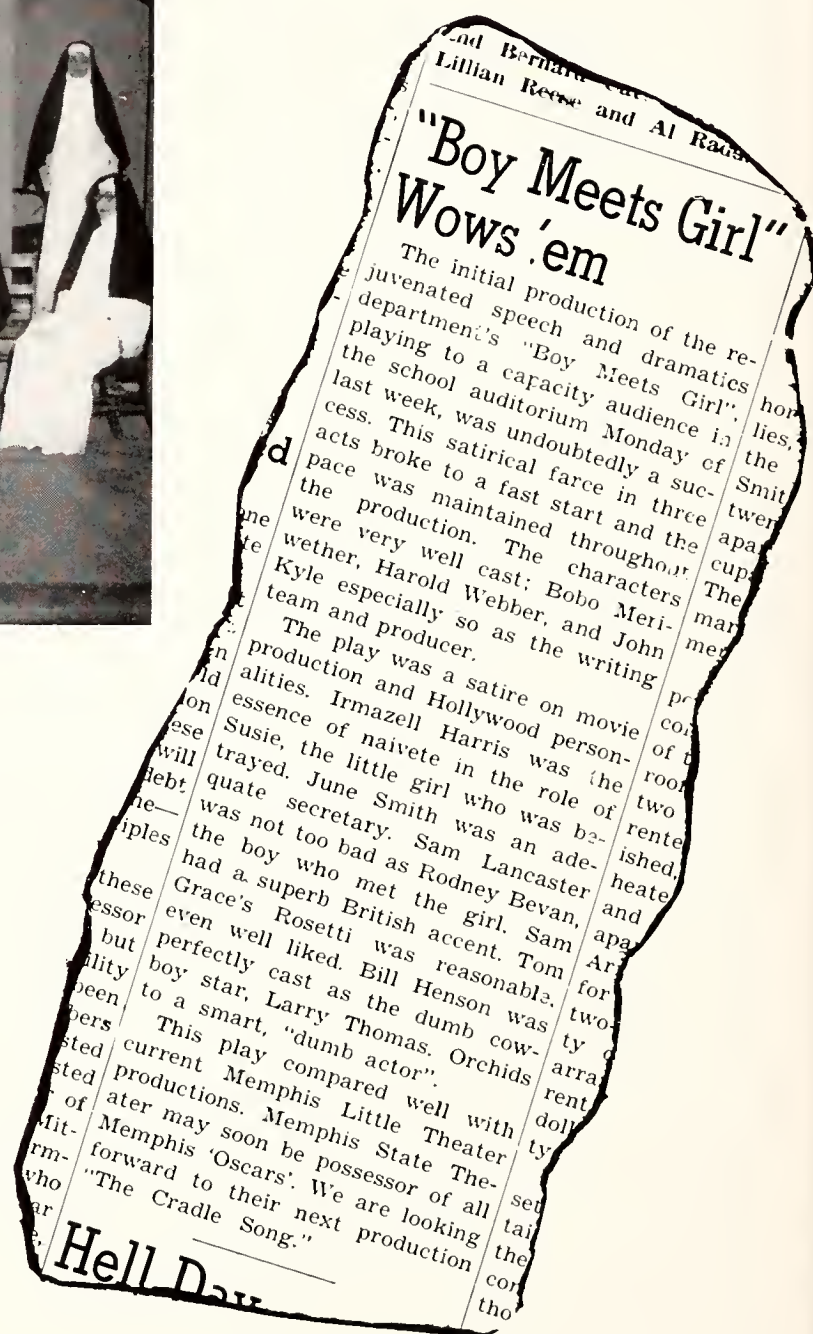

Scene From "THE CRADLE SONG"

With the return of a dramatic department to the MSC campus came an increase in the number of student productions. Under the direction of Professor Troutman the department achieved a huge success in its presentation of the drama, "The Cradle Song". Students will remember Barbara Walker, Allen Mullikan, Frances Stevenson and Alex Barnett in the leading roles.

Jim McKnight behind the scenes

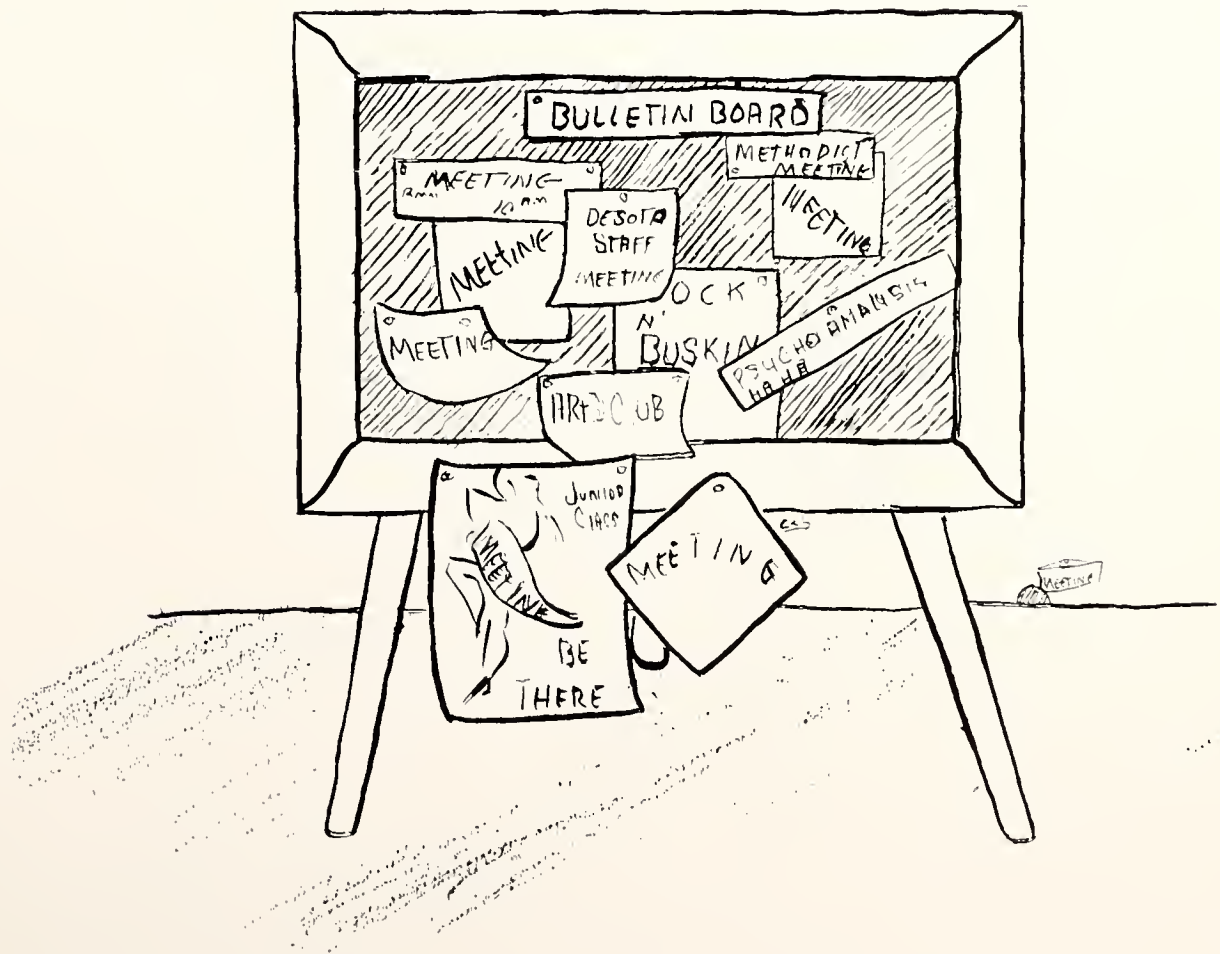

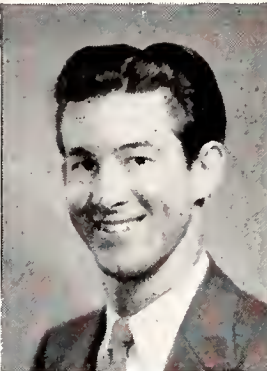

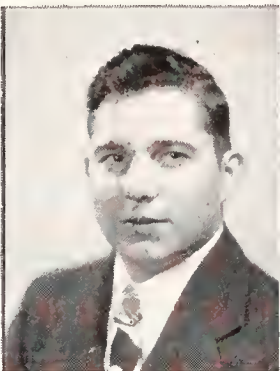

Another presentation was the popular play, "Boy Meets Girl". This comedy was such a success that a repeat performance was given for the patients at Kennedy Hospital. Leading roles were enacted by Harold Webber, Bobo Meriwether, Bill Henson, John Kyle, Sam Lancaster, and Irmazell Harris.

To a great extent, the success of the plays was due to a remarkable job of constructing and handling the stage scenery and backdrops by Maurice Waller, Jim McKnight, and Logan Hipp.

In 1937 the Pan-Hellenic Council was organized by the college administration for the promotion of friendly relations and cooperation among the Greek letter organizations on the campus. Its utility is proven by the smoothness in which rushing and pledging are carried out at Memphis State College.

A dance was sponsored by Pan in the fall quarter to enable the new pledges and organizations to become better acquainted and function as a group with greater unity.

With the approval of President Smith on the eight Greek organizations becoming national, Pan has made many changes. The constitution and by-laws have been changed to read in ac-

cordance with National Pan Hellenic Conference laws. Sites have been chosen for houses for the Greeks on the campus. Hell week has been abolished.

A new booklet, *If Its Greeking you are Seeking*, was published in order that new students might understand the correct procedure in rushing and pledging to Greek organizations. The membership of Pan consist of the president and two representatives from each sororities, and fraternities. Miss Rawls acts as faculty advisor for the council.

Pan has set a precedence for the future, a cornerstone that will long be remembered by the Greek organizations of Memphis State College.

GAMMA TAU ALPHA

We Gamma Girls began our year
With a hayride out to Raleigh.
There was a moon and hay and songs,
To make it very jolly.

The Alumnae tea at Kitty's,
With Genny pouring tea,
And Gammas gabbing everywhere
About what used to be.

Rush week kept us busy
New girls we had to meet;
The very nicest girls in town
To make our sisterhood complete.

The Gypsy Tea was something
That will live in all our Hearts
A fortune teller told our fates
The Rushing season starts.

The spaghetti supper at LaVerne's
Then pledge vows in the dorm,
Later final rites at June's
New Gamma Girls were born.

The pledging season, with jockey caps
And stamps and gum and candy,
Officers keeping the girls in line
Made everything just dandy.

The Barn Dance came with fun and glee
While Joy led with the singing;
Genny smoked her corn cob pipe
The juke box was a-ringing.

The Gypsies dressed in masquerade
In Hell Week costumes gay
A dinner at Virginia's
And a show wound up the day.

On New Year's Eve we went to June's
To ring the New Year in;
A midnight show—a snack at Kate's
Midst traditional New Year's din.

The dinner-dance at the Claridge,
Was something to remember.
With Joy elected our best pledge
And LaVerne most valuable member.

Frieda, Mary Jay and LaVerne
Have joined the Who's Who crowd—
And Sissy with the cheering squad
Has made us very proud.

So all in all we Gammas
Have had a successful year,
There's been fun and joy for everyone,
All smiles and never a tear.

The Kappa flower is the Yellow Rose, and the colors are black and gold. Our motto is "Effort is the architect of success."

Kappa sponsors are Mrs. James Heatherly, Mrs. G. H. Hayden, Mrs. H. B. Evans, Miss Mary Heiskell, and Miss Mary Dunn.

DELTA SIGMA CHI

The Delta Sigma Chi Fraternity was formerly the Triangle Club which was organized in the spring of 1943 by a group of sports-minded as well as socially-minded men. This group decided to change their name, and in the fall of 1945 became a Greek-letter organization. The fall quarter has brought back many of the old Triangle Club members from our country's service. Among them are our present president, vice-president, recording secretary, and treasurer.

This has been a year which we will not soon forget. It included a spaghetti supper held for

the pledges at the Labell Community Center on October 31, a party given by the pledges for the members at Clearpool Grill on December 7, and our annual dinner dance, February 6, at Hotel Peabody. At this dance the best pledge, Billy McCaa, was presented with a gold key.

Our fraternity had a very good touch football team, but we did wind up in a tie for third place with the Newman Club in the intramural tournament. As for the basketball tournament, we Delta Sigs came out on top.

Mr. R. J. Coltharp is the fraternity sponsor.

Well here it is the end of another year and the Phi Delts have been rolling right on along. All of the boys have finally come back from their jaunt in the service and once again taken their places in the fraternity. This has been a full year for all of us and has left us with many fond memories.

Started off the year with a five party at Mother Rugg's—what a time we had with everybody talking over old times and kidding the new grooms-to-be . . . remember, Childress? Next attraction was an outing at Ellendale before rush season. There was more talk than ever before . . . could it be we're getting older or are there just too many married men?

This was the largest pledge group that we've had and just about the best . . . lots of ex-service men who just loved to play games with the members on Monday nights. The ten weeks flew by, and before we knew it Hell Night was on hand—and what a night. Saliba beat his ride back . . . Hightower complaining like he was the only one getting the works . . . Simmons and company having such a long walk.

The annual Bowery Ball was again one of the highlights of the year with everyone talking for days about the funny costumes that people wore. Remember how Hazel Carter and Benny Lendermon looked when they were crowned Queen and King and walked off with the prizes for the best costumes.

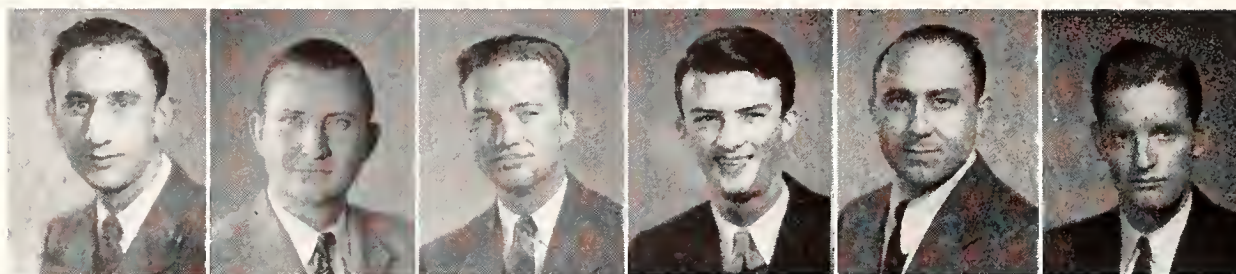

'Member the usual celebration before and after the Black and White Ball . . . picnic Saturday . . . all of us attending church in a group Sunday . . . the BIG EVENT Monday night . . . stag breakfast . . . the ball game in the wee hours next morn.

Let it be said here and now that this group of Phi Delts challenges anybody for the marrying title . . . Maxwell, Crosby, Baird, Morton, Kelly, and Hathaway tripped down the aisle . . . not a small number for the years work.

This year marked the return of the Phi Lambdas to the campus in full strength, for the fraternity was inactive while almost all of the members were in service.

This has been a great year at Memphis State College with the student body reaching its highest enrollment peak in its history. Great plans are being made for the future and Phi Lambdas are looking forward to the coming years with great anticipation.

Many memories have been crowded into the minds of our members during the year of the fun and parties which will be talked about many times. Who can forget those swimming parties at Maywood last summer—the party our swell “rats” with the Kappa “goats” gave—and the delicious fried chicken party at Shelby Forest

featuring Bobo, Crudgie, and Howell in their version of “The Shooting of Dan McGrew” . . . those guys were a riot!!! Remember John Long and Fred Wilson, those mighty thespians, in the school productions “Boy Meets Girl” and “The Cradle Song,” but on second thought maybe we better forget that. Preacher Riley also had his troubles listening to the Phi Lambda version of New Orleans Mardi Gras—and what about the bull sessions at Pete’s and the Pig after frat meetings. The wonderful dinner-dance in the Continental Room of the Peabody served as a fitting climax to a year crowded with fellowship, friendship and fun . . .

SAM's remember the return of many alumnae . . . The rush of Rush Week . . . The return of Red Bowties after a five year absence . . . The barn dance at Bowder's given by SAM and SIGMA "rats" . . . The white bunny rabbits won by jitterbugs Sonny and Jean and by Waltz King Tom Williams and June . . . The rat rides and Island 36 . . . The end of pledging and our 21 new members . . . Spring Pledging.

Brighter highlights: The selection of Mrs. Ruth Moore as the new fraternity "Mom" to take the place of our Mother Mynders and the Sam "Dream Girl," Virginia Ruth Moore, presented at the annual dinner dance at the University club.

All these things have made up another successful year for the Seymour A. Mynders Fraternity.

IN MEMORIAM

Mother Mynders, wife of the first president of Memphis State College and for whom the Seymour A. Mynders Fraternity and Sigma Alpha Mu Sorority were named, was for many years the college librarian. After the death of her husband, she was the living symbol of all the high ideals for which he stood, and she devoted herself to seeing those ideals realized in young people. Mother Mynders passed away last year, but to those who were fortunate enough to know her she will be an ever-present inspiration, spurring them on to greater achievements.

Alpha Delta Pi was founded at Wesleyan Female College, Macon, Georgia, in 1851. Fifteen years later Eugenia Tucker conceived the idea of organizing a secret society for girls with like ideals, background, and interest. There were sixteen charter members. It was the oldest secret collegiate organization for women. The name chosen was the Greek word Adelphean, from which word, when nationalized, Alpha Delta Pi was taken. The open motto, "We live for each other," has been carried for ninety-six years. The diamond badge was adopted the year after the sorority was organized. The sorority colors are blue and white, and the purple violet is the sorority flower.

Since 1929 Alpha Delta Pi has been international with the establishment of Beta Zeta chapter at the University of Toronto and an-

other chapter at the University of British Columbia.

The war service record of Alpha Delta Pi is outstanding among National Panhellenic Council groups. Our check for the maintenance of an ambulance in war torn England was convincing evidence of our sorority's initial war effort. The expansion of our 1851 Memorial Fellowship Fund to include the granting of fellowships to women of our allied nations gave our sorority another "first" to its credit. It is the practical application of our motto in world fellowship.

The Gamma Eta Chapter of Memphis State College is the sixty-seventh active chapter of Alpha Delta Pi. Charter members not pictured are: Bobby Ann Campbell, Mary Margaret Caradine, Norma Hooker, Mary Jane Jeter, Jane Weakley, Lucille B. Williams.

Alpha Gamma Delta Fraternity was organized in 1904 at Syracuse University with the aid of Dr. Wellesley P. Coddington, professor of philosophy, who insisted that the new group be organized from the start on a national basis.

There are fifty-five chapters, five of which are located in Canada. Membership of the fraternity is over eighteen thousand.

Alpha Gamma Delta was among the first of the national fraternities to establish an al-

truistic project of maintaining summer camps for underprivileged children which have been in operation every summer since 1920.

The colors of the fraternity are red, buff, and green and the flower is red and buff rose.

The Gamma Zeta Chapter was organized this year on Memphis State Campus. The charter members are pictured above. Those not pictured are: Jean Downs, Rena Mitchell, Lillian Roe, Norma Tardy, Peggy Walker, Martha Woods.

Phi Mu was organized in 1852, at Wesleyan College, Macon, Georgia, by Mary Myrick Daniel, Martha Hardaway Redding, and Mary Dupont Lines. It was first known as the Philomathean Society. The founders planned from the first for the society to be a permanent organization and set high goals for membership. They originated the rituals and standards that are used even today by all Phi Mus.

After the Civil War, General Robert E. Lee was extended an invitation to become an honorary member. After reading the beautiful and significant Phi Mu creed, General Lee accepted. Jefferson Davis and "Stonewall" Jackson were shortly afterward extended the same invitation and their names follow Lee's in records of early membership.

Fifty years after its organization, Phi Mu adopted the present Greek name. As the fraternity grew, it extended the scope of its activities. A scholarship fund was established in 1910. From World War I to World War II Phi Mu did its bit by sending trained recreational leaders overseas and by contributing to Y.W.C.A. activities and scholarship funds for students interested in medical training. Since 1922, Phi Mu healthmobiles operated by the State of Georgia Health Department have crusaded throughout that state aiding the combat against tuberculosis.

Phi Mu, the second oldest national fraternity for women, now has sixty-four collegiate chapters. The Kappa Lambda Chapter at Memphis State was installed March 18, 1947. Twenty-seven members were inducted. This chapter previously functioned as Kappa Lambda Sigma Sorority, a local organization.

The Sigma Kappa Sorority was founded at Colby College, Waterville, Maine, in 1874, by five pioneer women students. This became the Alpha chapter and its invitation to membership was extended to all women entering Colby until 1879, when membership was limited to twenty-five. Because of the increasing number of girls at Colby, Beta and Gamma chapters were formed, but were merged with Alpha chapter in 1894.

For a period of thirty years the members surveyed with great care the college frontiers of America, moving cautiously because of their concern in choosing worthy exponents of the Sigma Kappa ideal. In 1904, the year Sigma Kappa became a member of the National Panhellenic Congress, Delta chapter was formed at

Boston University. Today her chapters extend across the length and breadth of this country, and she has stretched her hand across its northern border to the college women at the University of Manitoba, in Canada.

In 1894 the present pin was adopted. The colors are lavender and maroon. The pearl is the official jewel, and the violet is the official flower.

The charter members of the Beta Xi chapter which was organized this year at Memphis State are pictured above. Those not pictured are: Charline Allen, Betty Brouse, Amby Coats, Gladys Crowder, Jane Dietzel, Mary Jan Dinwiddie, Shirley Kirk, Virginia Miller, Betty Orbison, Anne Owen, Mary Delia Purser, Jo Richards, Mary Elizabeth Russell, Paula Simmons.

The close of the spring quarter brought an end to another successful year for the Independents—a year filled with activities and lasting friendships.

In the fall quarter the Girls' Volley Ball team reached its goal by winning the trophy for the Intramural Volley Ball championship. This victory was due in a large part to the capable leadership of manager Pheraby Baldwin. The winter quarter the basketball team succeeded in capturing another intramural championship by defeating the Sigmas in a close tournament. Other members of the club have contributed to school activities by participating in several

programs which have been presented to the student body.

The Independents' Club is open to all students at Memphis State who are not affiliated with any Greek Letter organization. The motto is "Everyone Speaks." The club's colors are green and white.

Sponsors for the organization are Mr. Paul Eaheart, Mr. and Mrs. Crawford, and Mr. and Mrs. Allen.

Members who are not pictured are: Ruth Boaz, Edgar Haley, John Langford, Don Pursley, Jack Taylor, and Martha Hester.

The Veterans Club was originated at Memphis State College in the winter quarter of 1946. Its activities declined in the spring of 1946, and it was replaced by the Navy-Marine Club. At the beginning of the winter quarter of 1947 it was reorganized as the Veterans Club of MSC so that all ex-service men and women could become members.

The biggest activity on the club's social calendar was a dance given at the Casino January 14. Frankie Masters and his band furnished the music. The dance was a huge success, and it is hoped that this will be made an annual affair.

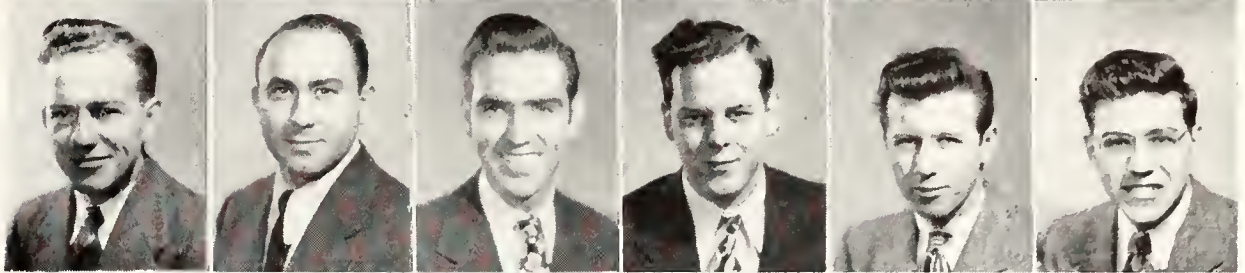

The club is helping Memphis State veterans with the housing problem, giving financial aid to deserving students, and taking part in all of the school activities. It has grown to become one of the largest organizations in the school.

The Baptist Student Union was organized in 1938 for the purpose of encouraging spiritual growth and a closer association among Baptist students on the MSC campus.

The first function on the summer calendar was B.S.U. week at Ridgecrest. This is a Southern Baptist Retreat and is reserved for the entire summer by the Baptists of the South. Lillian Reese and Genevieve Griffin attended from MSC.

The last week-end in October was reserved for the state convention which is composed of Baptist students in Tennessee colleges. Our B.S.U. had four representatives at Jackson. The spring B.S.U. features were the state spring retreat and the semi-formal banquet at Prescott Memorial Baptist Church.

We were fortunate this year in welcoming to our campus Mr. Norris Gillam as our new student secretary.

Any student may become a member of the B.S.U. if he is a member of some organization of a local Baptist Church.

The Methodist Club was organized in the Fall of 1937. It was organized for the purpose of helping young people to achieve a more religious outlook. Associate memberships are open to Methodists in Memphis who are interested in the club and its activities.

The club is now a member of the Wesley Foundation which is composed of all the Methodist Clubs in the colleges of the United States.

Meetings are held on the campus once each month. Sponsors of the club are Dr. and Mrs. H. B. Evans.

The outstanding social event of the fall quarter for the Presbyterian Club was the banquet held at Buntyn Presbyterian Church on December 5, at which Miss Carolyn Stowell, a young missionary to Brazil, was guest speaker.

On April 12, ten of the group attended the state-wide conference of Presbyterian students at Nashville.

The Presbyterian Club was organized in 1938 to encourage spiritual growth and to bring about a closer fellowship among Presbyterian students.

Faculty sponsors are Mrs. Myrtle Cobb and Mr. Enoch Mitchell. Mrs. E. N. Johnson is the adult adviser from Buntyn Presbyterian Church, and Reverend A. Claude Dean is spiritual adviser.

Since the founding of the organization in 1936, the Arabesque Club has presented musical programs for the enjoyment of the student body and has encouraged the appreciation of higher forms of musical art.

This year the club presented a musical in the auditorium during the chapel period on March 1, 1947. Jointly with the Sock and Buskin Club, the Arabesque Club worked on the Varsity Show presented in the school auditorium.

Mr. L. C. Austin, music professor, is the faculty sponsor.

The Arts Club was organized at Memphis State College in 1938 for the purpose of increasing students' interest in the fine arts. The membership of the club is open to students who are interested in art, vocal and instrumental music, writing, and dramatics. The group encourages visits to the Memphis Museum and Brooks Memorial Art Gallery, and sponsors programs in which art is the principal theme.

The 1946-47 college year was opened with a "morning snack" honoring the new members. The Christmas Program was the most important of the year. Mrs. R. H. Anderson gave an illustrated lecture on "The Madonnas In Art." Refreshments and a social period followed the meeting. Jane Goolsby, a former president of the Arts Club, was speaker at a modern art program in February. The year was concluded with an outing which was held in April. The party started with a visit to the Brooks Memorial Art Gallery, then the members and their guests enjoyed a picnic supper in Overton Park.

The faculty sponsor is Miss Marie McCormick.

FTA

The Future Teachers of America is an organization for those students who are interested in making teaching a profession. It was organized in 1945 for the purpose of acquainting teachers in training with the ethics and program of an organized teaching profession and to give them practical experience in working together democratically.

The club meets once a month to discuss problems common to both the elementary and secondary fields. Panel discussions conducted by students, talks made by speakers from the field, and field trips to various elementary and secondary schools help to solve the problems which arise in the teaching profession.

The organization also has various social activities throughout the year. During the fall quarter the group was entertained with a weiner roast at the home of their sponsor, Mrs. Myrtle Cobb.

Miss Home Economics

Betty Tilman, a senior, was chosen this year to represent the Home Economics Club as "Miss Home Economics." She is the first girl to receive this honor, and will set a precedent for future home economics girls. This title was established to honor a girl each year who has shown outstanding abilities and accomplishments.

The qualifications which have been set up by a committee within the club are that "Miss Home Economics" be a junior or senior, a home economics major, have an acceptable scholastic record, a pleasing well rounded personality, poise, leadership qualities, and be well groomed and courteous. She must also have contributed towards the growth of the club.

The Ioka Wikewam club is a national organization which was formed in 1922. It is open to all students taking Home Economics courses. The name of the club, taken from the Indian language, and meaning "Home Beautiful," is an inspiration to members to acquire appreciations and creative skills that will aid in establishing such homes.

The programs this year were varied in accordance with the desire of the Executive Council of the Club. They consisted of talks by veterans on living conditions in foreign countries which they had visited during the war and a study of the organizations, growth, and activities of the American Home Economics.

The social activities centered around a box supper and dance given at Ellendale during the Spring quarter. Other activities included a tea welcoming new Home Economics students to the college, and a gift of a Christmas basket to a needy family.

Miss Bess Henderson and Miss Alice Chappell are the club's sponsors.

The Industrial Arts Club of Memphis State College was organized at the beginning of the fall quarter, 1946. The purposes of the club are: to create an interest in industrial arts; to stimulate the study of industry and related problems; and to integrate group activities into concerted action which will further the objectives of industrial arts, as set up by the American Vocational Association.

The membership of the club is limited to students who are majoring or minoring in industrial arts. Honorary membership will be conferred upon faculty members and other individuals who are interested in the activities of the club. Monthly meetings are held on the campus,

at which times guest speakers are often invited to bring interesting topics to the group. Plans are made for visits to industrial plants in Memphis so that the members may study industrial procedures.

In the fall quarter the club was entertained with a supper at the home of Mr. and Mrs. R. G. Coltharp.

Faculty sponsors for the group are Mr. R. G. Coltharp, Mr. C. M. Street, and Mr. O. Hejkal.

Affiliated with the Carnegie Endowment for international relations, the club is one of the most active on the campus. Club members have reserved various books dealing with current events to be used as a basis for study and discussion.

LOS PICAROS

Bettie Sodergren, Laverne Shelton, Arthur Bruhn, Genevieve Griffin.

"Los Picaros" is a Spanish name for Memphis State's Spanish Club. Translated, it means "The Rogues." The club got its start in 1928 as "The Spanish Club"; later it became "Los Picaros Espanoles"; and finally "Los Picaros". Miss Mary Heiskell has been the mainstay of the organization ever since she came to the school in 1932.

The purpose of the organization is to promote better understanding of our South American neighbors, and to familiarize members with the culture and history of these people.

Members of the club are students who are interested in the Spanish language and in the Latin-American affairs. Membership is open to all students who have completed the equivalent of one year of college Spanish, but any student may enroll as an honorary member and take part in all activities of the group except business matters. Members are encouraged to join other organizations which have similar purposes; such as Memphis' "Liga Panamericana". (Pan-American League)

Opportunities to hear and speak Spanish are provided when the club has Spanish-American guests. Such social opportunities have been rather curtailed this year, but further activities are being planned.

FEATURES

DE SOTO HALL OF FAME

Each year the DeSoto features those students who, through their achievements or their popularity with the student body, have won certain titles on the MSC Campus. The personalities presented here were selected by popular vote in various elections held during the course of the year.

Miss Memphis State was selected at an election sponsoed by the DeSoto from five senior girls who were chosen as candidates for the title by the Senior Class.

The DeSoto also sponsored the election of May Queen, Kampus King, and the twelve beauties. This election was held after all the candidates had been presented at a student assembly. Candidates for May Queen and Kampus King were juniors or seniors, one candidate for each honor having been nominated by each Greek Organization and the Veterans and Independents Clubs along with three candidates nominated by each of these organizations for the beauties.

The four most beautiful girls were selected from the twelve beauties at a special evening program of music and song which was climaxed by a Beauty Review. Three competent judges made the selection.

The election of Typical Ed and Co-Ed was sponsored by the Tiger Rag. Candidates were nominated by various organizations on the campus.

Nominees for the title of Freshman Queen were selected and voted for by the Freshman Class, and the Queen was crowned at the Freshman Dance.

The Memphis State Basketeers finished the 1946-47 campaign with a very impressive record of 11 wins and 7 losses. The Tigers displayed good team spirit and co-operation in every game. Coach Zack Curlin's charges lost several games by a mere one point margin which proves that they were playing "heads up" ball at all times.

It was not until about mid-season that the boys found their eye for the goal, and they took advantage of it. Bobby Moyes and Wayne Franklin played impressive defensive games and displayed great skill in bringing the ball down court and working it in to such capable ball handlers as Leslie Steele, star center, and Maurice Hudspeth and Neil Koffman, our flashy forwards. The skillful ball handling of this combination kept opponents on the "go" throughout the season.

These five players were capably backed up with such reserves as Pete Sisson, a very able pivot man, Tommy Crook and Van McGee, reliable forwards, and James Sawyer and Bill Rowland, impressive guards.

BASKETBALL

The Tigers defeated Southwestern's Lynx in two of the most thrilling games of the season to win for the second straight year the title of City Collegiate Champs. Other "thrillers" which kept the fans holding their breath from the referee's first whistle to the last were the games with Arkansas State and Delta State.

Coach Curlin did a successful job of "making this cage squad one of the best ever to represent Memphis State." Joe Taylor and Will Medling gave most able assistance to "Zack" and the team in their capacity as squad managers.

Because of the numerous requests made by the student body, a tenacious, energetic team of cheer leaders was selected to be present at all MSC basketball encounters to back up the Tigers and let them know the students were for them, victory or defeat. The cheer leaders who were selected and did such a splendid job throughout the season were Bob Beaty, Captain, Ted Brown, Co-Captain, June Gwaltney, Tissie Williams, and Marene Smart. Jimmy Soffos and Patsy Johnson assisted as alternates. Under the leadership of this group the student spectators exhibited school spirit, enthusiasm, and interest in the team during the season of play.

COACHES

Ralph Hatley, Paul Hicks, Billy "Spook" Murphy

This year Cecil "Sonny" Humphreys returned to the MSC campus in his new capacity as athletic director and head of the new department of physical education. With this appoint-

ment and that of Ralph Hatley as head football coach, the Memphis State athletic staff was completed for the 1947 season. Along with Hatley and Humphreys the staff includes Billy Murphy, backfield coach and Paul Hicks, end coach.

FOOTBALL

For the first time since 1942 Memphis State is to have football. Spring practice started on February 27 and continued until the last of April, during which time the squad went through daily workouts of conditioning exercises, running, blocking and tackling under the watchful eye of Coaches Hatley, Murphy and Hicks.

Several intra-squad games were played between the blue and the white teams showing the might of MSC muscle and skill with the pigskin. In the first game the teams were almost evenly matched. The Whites managed to squeeze out one touchdown to win 6-0.

Of those who went out for spring practice, three players, Fred Medling, Hank Acosta, and Tony Fabiano, have been on previous MSC squads.

And so, we're writing FINIS to our 1947 DeSoto. Our work is ended, but we hope that your enjoyment of it is only beginning.

We think you know that this volume would not have been possible had we not had the cooperation of many people who worked untiringly that this annual might reach you.

Our heartfelt thanks to Nell Avery, associate editor, and to each member of the staff for the work they have done—to those who collected pictures and to those who worked late for weeks and spent their holidays in the DeSoto office pasting pictures and typing copy.

To Mr. Mitchell, head of the Publications Committee, for his patience and helpfulness, Miss Marie McCormick for her useful ideas, and other members of the faculty for their cooperation we express our appreciation. To Curley Bruner who made the student pictures; to Mr. Cole of the Memphis Engraving Company and to Mr. Gaither of S. C. Tool for their help and advice we say—thanks.

In short, to everyone who had a part in making this annual a success, our most sincere thank-you.

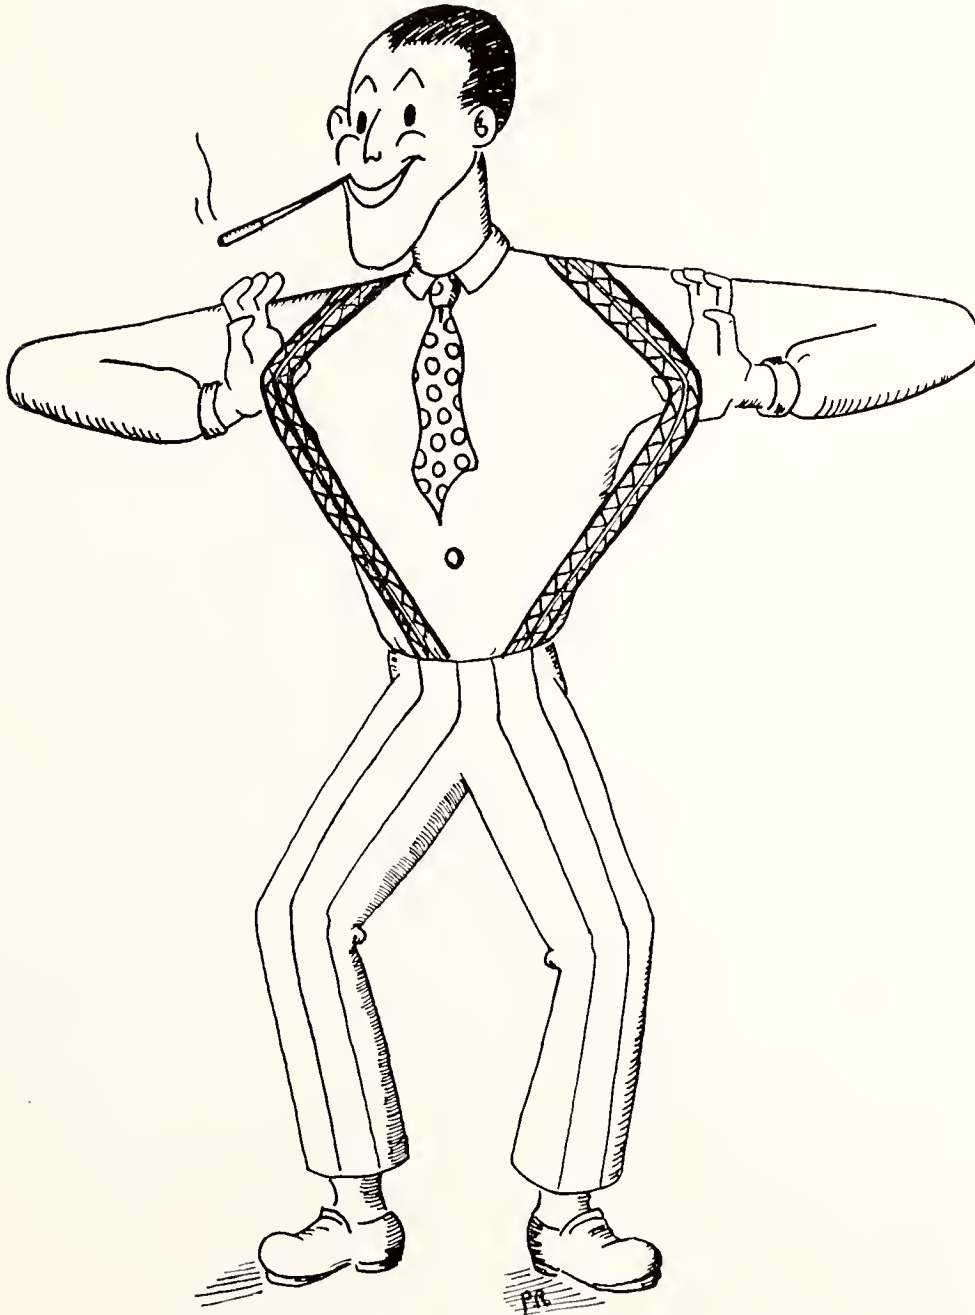

A student bard has aptly expressed our feelings in verse:

We've been lying awake with frequent headache
And repose indisposed by anxiety,
But I conceive we may use any method we choose
To indulge in (without impropriety)
To thank you all for preventing our fall
And with this woeful song say, "Brother, that's all."
